Tournament/Travel Fees are figured by each coach and handled directly through him/her.		
We also have 1 MANDATORY fundraising event each year that help us raise money for overhead costs.		

The above fees are what it costs to belong to our organization. Your coach will discuss team fees with you based on which tournaments you will be attending.

NOTE: We offer opportunities for individual fundraising by working events at Intrust Bank Arena and Lawrence Dumont. Teams may also organize their own fundraising events throughout the year as well as find corporate sponsors.

*Non-Local is any athlete that will not be regularly attending team practices throughout the year

*A = If you have 2 or more athletes playing 10s or older

*B = If you have 1 playing 8s and 1 older player

*C = 2 8s and none playing 10 & older
